

## **2019 Fun with Fashion Scenarios**

The Fun with Fashion event provides a practice in consumer purchasing skills. Each participant will choose one class to enter. The majority of the outfit, including accessories, needs to be purchased with the scenario and budget in mind. Shoes do not need to be new or count in the budget. Remember to use comparison shopping to check out prices for the same or similar outfits in different stores. You may use second hand stores (i.e.: thrift or consignment stores, yard sales) online re-sale apps (i.e.: Poshmark or Mercari) or clothing rental websites (i.e.: Rent The Runway, Fashion Pass) Keep up with your costs and savings. These will be recorded on your data sheet.
