From Your Club to Your Community

Steps of Service Learning

1. Plan a project that meets a community need. Use the community resource list and service project ideas list to get started.
2. Set goals to learn new skills as you complete the project.
3. Complete and report your project to the 4-H leader
(A report form is in the Officer Manual.)
4. Celebrate what you did and reflect on what you learned, how you felt, and who benefited from your project.

Service Project Ideas

Always ask permission if you are planning a project on public property. Remember that the School Canned Food Drive does not count for your club project unless you plan and organize the project.

- Plant flowers or a tree on community property

- Set up a recycling aluminum can box and recycle!
- Pick up trash on school grounds or clean up at the local park.
- Make tray favors for the hospital or nursing home, such as, holiday cards, bookmarks, gift baskets, a flower, brightly wrapped candy favors, etc.
- Invite a local agency to give a talk in your class, collect for their wish list.
