

4th & 5th GRADE DEMONSTRATION CONTEST

GOAL

To practice combining verbal and visual skills to communicate a message.

**100% Member Assignment Demonstrations
are due: _____.**

INSTRUCTIONS

Step 1: Pick a 4-H Project Area

Choose one topic from this list:

Beef • Citizenship • Clothing & Textiles • Communication & Public Speaking • Companion Animals • Computers & Technology • Consumer Education • Creative Arts & Design • Culinary Arts • Dairy • Energy • Entomology & Beekeeping • Entrepreneurship • Environmental/Ag Engineering • Food Sciences • Forestry, Wildlife, & Fisheries • Goat • Healthy Living • Horse • Leadership • Mechanics & Safety Science • Outdoor Recreation & Shooting Sports • Performing Arts • Photography & Digital Media • Plant Sciences • Poultry • Sheep • Swine • Veterinary Sciences

Step 2: Plan Your Demonstration

Your demonstration should:

- Be 1-2 minutes long
- Teach us how to do something related to your topic
- Include a visual (this could be a poster, props, supplies, or photos)

Examples

- If you choose Performing Arts, you could show how to pack a dance bag for a performance.
- If you choose Culinary Arts, you could demonstrate how to decorate a cupcake.
- If you choose Companion Animals, you could show how to safely hold a hamster. No live animals, please. You may bring a photo, stuffed animal or poster.
- If you choose Photography, you could demonstrate how to take a good selfie using lighting and angles.

Tips

- Speak clearly and loudly.
- Practice at home so you feel confident.
- Show each step in order.
